In 2004, **HISENER** was founded in Haining, Zhejiang, China, and started the business as a threaded rods producer and shortly, established its full range fastener distribution line 2 years later. In 2010, we established the screw factory. Up to now, **HISENER** is known as one of the top suppliers of screws and various fasteners worldwide. In 2020, with growth in the experience, technology, management and personnel, **HISENER** entered into the stainless steel fastener market with a big investment in the new factory in Haiyan.

Now **HISENER** has more than 4,000 items with diverse packaging that are supplied regularly to our customers which are continuously expanding. Strict production procedure and quality control are carried out per product batch by our well-equipped laboratory to make sure that only qualified products can be delivered to our customers. **HISENER** is also certified to ISO9001:2015, CE EN14592, and CE EN14566.

**HISENER**, the reliable, supportive, innovative, loyal business partner, definitely is your best choice.
